Leadership: We have 2 people that stepped up as Team Leaders this year. Thank you Amy Lloyd and Ashley Zavala!

We will need 1-2 people to act as team leaders for the season. This person(s) will need to be at every game. If there are 2 team leaders then they can rotate games as long as we have a team leader at every game. Team leaders will earn \$60 per game (\$90 for Thanksgiving & New Years).

Training:

There is training for team leaders (and any one else) on TBD. Pizza will be provided.

If you are interested in being a team leader please respond to this email. If you would like to be a leader and/or attend training, but cannot make the August 1st date, let me know because they will work with us on another date.

FAQ**Can I bring extra family members to work on behalf of my student?**

Yes! This year we will not limit how many games you can work or how many people you bring to earn money for your student. The only reason this will change is if there are not enough spots for other band families.
